		C-ZD15
Capacity	ft <sup>3</sup>	530
Recommended Power	Minimum HP	80
PTO	RPM	540
Auger speed	RPM	18 / 32
Knives	Pcs.	10
A	in	245
C	in	117.75
B*	in	119.5
Lug nuts	Pcs.	10
Wheels	Size	Dual tires : 245/70 R19.5 Flotation tires: 19.0/45 R17
Empty Weight*	lb	10,781
Max mixing Load*	lb	11,574

DYET is here to provide farmers with efficient, innovative and reliable feeding solutions by designing and manufacturing high-quality equipment.

We dare to design the future of livestock feeding with our clear core values:

- Quality
- Excellence
- Reliability
- Innovation
- Animal Health
